

Maths

We will be exploring numbers 0-100, ensuring we are fluent at counting forwards and backwards, recognising odd and even numbers and being able to write the numerals and words for each number. We will explore place value and how to represent the numbers in different ways. We will also be telling the time.

Science

Through our Science work we will be looking at the structure of plants and begin to identify common trees and plants. We will be looking at what seeds need to grow and developing our investigational skills.

English

In English we will be exploring a range of texts by the author Julia Donaldson. We will be making sure we can write sentences using finger spaces, correct punctuation and checking they make sense. We will be writing in a range of genres including stories, poems and non-fiction texts.

In Handwriting we will be focussing on the correct writing position and making sure we can form all our letters correctly, in the right place on the line and of the correct size.

We will have a daily phonics lesson where we learn all our digraphs and how to spell tricky words.

Guided reading will take place weekly and will focus on fluency, accuracy and comprehension.

R.E & PSHE

In RE we will be looking at symbols in Christianity and we will be exploring the Jewish festival of Hanukkah. We will also be exploring Harvest.

In PSHE we will be focussing our work on getting to know our new classmates and how we can be a good friend.

Welcome Back

Autumn term 2017

Red, Violet & Indigo Room

P.E

This half term our focus will be on games. Mr Mitchell is coming into school to teach us how to play Handball. After the half term break we will be developing our co-ordination and movement through dance.

Red Room

Ball Skills – Monday
PE – Tuesday

Violet Room

Ball Skills – Monday
PE – Friday

Indigo Room

Ball Skills - Monday
PE - Thursday

If you are able to help in our classes in any way please speak to your child's class teacher –
Thank you

Computing

In computing we will be using the ipads to photograph and film, learning how to frame and save an image. We will also learn how to retrieve the image and import it into another app. We will also explore some paint packages to create images. The children will all receive their Purple Mash passwords to use at home to support our learning across the curriculum.

History

In November we will be finding out about The Gunpowder Plot and also the significance of Remembrance Day. We will then be exploring the Great Fire of London, looking at historical sources to find out what happened and why.

Music

In music we will be using our voices creatively, learning lots of new songs. We will also be exploring a range of instruments to make different sounds.

Art & Design Technology

This term we will be exploring different paint techniques including colour washing. In Design Technology we will be designing and making our own Tudor houses.
