

### English

In English we will read and write about the following texts: I Will Not Ever Never Eat a Tomato by Lauren Child, Oliver's Vegetables by Vivien French and Traction Man and the Beach Odyssey by Mini Grey We will learn about the features of non-fiction texts, and use this to write about Food around the World, Animals Under the Sea and learn how to write instructions about making a healthy sandwich.

In our grammar lessons we will be learning the spelling rules for adding ed/ing and er/est.

### Maths

In Maths we will continue to count in twos, fives and tens. We will learn about fractions and find a half and a quarter of an object, shape or quantity. We will explore money, learning the value of different denominations of coins and notes. We will use addition, subtraction, multiplication and division to solve problems.

### Science

This term we will be investigating squashing, bending, twisting and stretching. We will learn how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.

### History and Geography

We will learn about different food around the world and learn some Spanish vocabulary linked to our topic.

We will find British seaside resorts on a map of the British Isles and discuss their features.

## Orange Room Summer 2017 Glorious Food

(This is the children's choice of topic)

## and Splash!

### D.T. and Art

In Art we will be exploring line, shape, space and form. We will be making observational drawings and learning about the work of the famous artist Guisepppe Arcimboldo.

In DT children will learn about the basic principles of a healthy and varied diet and prepare a fruit dish.

We will also learn about where food comes from.

### P.E.

This term we will be doing athletics.

We will be travelling in different ways, engaging in pulse-raising running and avoiding games to develop spatial awareness. We will learn about running, jumping and throwing styles.

Ball skills will be on Wednesdays.  
PE will be on Tuesdays

### P.S.H.E./R.E.

In PSHE we will be learning about Living in the Wider World.

We will also be learning about staying safe and healthy.

In R.E. we will be learning about the Hindu and Christian stories about creation and how and why these stories are important in religion.

### I.C.T. /Knowledge and Understanding the World

In computing the children will continue to learn about algorithms and how they are implemented. They will also recognise the common uses of information technology beyond school.
