

Maths

In Maths we will continue to develop our fluency with numbers, mentally solving calculations using known number facts. We will be exploring multiplication and division and how these facts are linked. We will be measuring length, mass and temperature – recognising the units used and reading scales. We will be able to name and describe 2D and 3D shapes. Year Two will be exploring fractions and working out a fraction of a number or shape.

Science

We will be developing our scientific skills by carrying out simple investigations. We will be looking at living things and finding out how their habitat provides for their basic needs. We will be naming a variety of animals and grouping them into carnivores, herbivores and omnivores.

English

In English we will explore both fiction and non-fiction texts linked to our topic. During our weekly 'Authors Club' we will be producing longer pieces of writing in a range of styles. We will continue to develop our phonic skills through daily phonic lessons as well as weekly guided reading sessions. In our grammar lessons we will be exploring a range of suffixes and prefixes and learning how to write different types of sentences using the correct punctuation.

R.E & PSHE

In PSHE lessons we will be exploring healthy lifestyles including healthy diets, exercise and dental hygiene. In RE we are learning about the Jewish faith and making comparisons with Christianity.

Spring 2018 Red, Violet & Indigo Room

P.E

In P.E this term we will be focussing on Gymnastics. Learning how to perform different types of rolls and using the gym apparatus safely and imaginatively.

Ball Skills – All classes
Monday

P.E

Red – Tuesday

Indigo – Thursday

Violet - Friday

Computing

We will be using the computers to research Rainforests. During Internet Safety week we will be finding out how to stay safe whilst working online and the importance of passwords. We will learn who to speak to if we see something we are unsure of online.

Geography

In our Geography work we will be using atlases to name and locate the continents and oceans. We will be exploring the Rainforests, looking at climates, habitats and inhabitants.

Music

In music we will listen to a range of different styles of music and select and play the instruments to create our own accompaniment to 'The Snowman'. We will continue to learn and perform new songs.

Art & Design Technology

In Art we will be experimenting with different media to create artwork linked to our topics. In Design technology we will be making a Rainforest Diorama, using different materials.
