

English

In English we will have a weekly grammar focus and continue to do daily phonics sessions. We will practise handwriting and reading regularly. We will write sentences using correct punctuation and check that they make sense. We will try hard to write for longer periods of time by developing our imagination and confidence in writing. We will be working hard at adding detail, using describing words.

Maths

This term we shall use the Inspire Maths scheme to learn new skills and develop those we already know. We will continue to use number bonds and number facts to solve problems. We will practise and improve our counting and knowledge of numbers, including odd/even numbers and number patterns. We will learn more about shapes and their properties as well as investigating money problems, telling the time and measuring accurately with a ruler.

Music

This half term we will be learning all the songs for our Christmas Concert.

Art & Design Technology

We shall begin this half term by designing and making our own clay dragons. Then our art and design technology work will have a Christmas theme. We will make decorations and Christmas cards.

History

We will learn about Remembrance Day and why we wear poppies. We will use drama techniques to explore what it would have been like in the trenches during the First World War. We will also create a class Remembrance Wreath

Dragons

Our new topic for this half term is Dragons.

R.E & PSHE

We will be continuing our work on 'Bucket Fillers' from last half term and will also be talking about bullying in Anti Bullying Week (14th November).

P.E

This half term we are focusing on dragon dances. We will learn a whole class dance about dragons and then will adapt the dance to create our own versions. We will perform for each other and learn how to improve each dance.

Red, Violet and
Indigo Room.
Autumn Term 2016

For our Christmas visits this half term, Year 2 will be going to the Minster on the 29th November and Year 1 will be going to White Post Farm on the 1st December.

Computing

This half term we will be using Purple Mash to create our own dragon pictures. We will use different tools to create different effects.
